

Abortion:

An Annotated Bibliography

Alcorn, Randy C.. *ProLife Answers to ProChoice Arguments*. Portland, Oregon: Multnomah Publishers, 2000. Print

The author shares his arguments against pro-choice. He argues for life, humanity and person-hood. He talks about abortion and how it's unjust and unfair. He argues the issue of abortion and it's relation to social issues. He discusses the arguments on health and safety issue and how they relate to legal versus illegal abortions. He also shares his feelings on hard cases and how they should be handled. He defends the pro-life character and discusses how they aren't relevant to the issue. He fights the argument of abortion improving society. He included many alternative resources for those considering abortion. He explains how you can be forgiven after having an abortion and what the bible says.

Almond, Lucinda. *The Abortion Controversy*. Detroit, Greenhaven Press, 2007. Print

The author uses many sources to discuss the current national and international issues concerning abortion. She argues whether abortion is immoral and whether rights should be protected or restricted. Religious groups want to eliminate abortion rights she discusses whether women should have greater rights and access. She also discusses whether birth control methods should be eliminated. She talks about how protestors target abortion clinic providers and how the Supreme Court ruled in favor of that. She also speaks out about how protestors harass patients and that they shouldn't have to use violence. She brings up many controversies about abortion and supports them with facts.

Dean, Mensah M.. "Two plead guilty in deaths at Philadelphia abortion clinic." Boston Herald News,

28 Oct 2011. Web. 21 Nov 2011.

This is the Boston Herald News website. It is showing an article on 2 women who worked in an abortion clinic in Philadelphia. Here they were performing abortions without a license. They were charged for murdering babies by severing their spinal cords with scissors. They were also charged with the murder of a woman who went to the clinic to get an abortion.

Feldt, Gloria, and Fraser, Laura. *The war on choice: the right-wing attack on women's rights and how to fight back*. New York: Random House Digital, Inc., 2004. Print

The authors use many great sources to show the right-wing attack on women's rights and how to fight back. Gloria Feldt is the President of Planned Parenthood Federation of America and if anyone can support pro-choice who better than her. These authors are pro-choice supporters who discuss the war on taking away women's rights to have an abortion. They talk about the attack on family planning and how our country is teaching children not to have sex and nothing else. They talk about the courts and how they are trying to take away the right to choose. They explain how people are replacing facts with right-wing beliefs. It is our right to choose and that choice shouldn't be taken away.

"Methods of Abortion." *Sexual & Reproductive Health - Sex Education - Planned Parenthood*. 2011. Web. 21 Nov. 2011. <<http://www.plannedparenthood.org/health-topics/abortion-4260.asp>>.

The main topic covered on this site is In-clinic abortion procedures. It explains the decisions a woman has to make if they are considering abortion. It explains the types of abortions, how effective abortions are, what the process is, how safe they are, what can be expected after the abortion and where you can receive an abortion. It talks about the types of abortions, the pill aspiration and dilation & evacuation. It also explains what is needed if you are a minor.

Rose, Melody. *Safe, legal, and unavailable?: abortion politics in the United States*. Washington DC: CQ Press, 2007. Print.

The author gives the history of abortion in America. She compares the United States to other countries and their abortion policies. She discusses the Supreme court and abortion rights and the cases that affected our country. She explains the abortion restrictions in the United States and anti-abortion violence. She explains how there is a lack of education in our country and all the barriers that prevent women from getting abortions. She explains how women need to follow the self-help movement. She explains how even though abortion is legal it's very hard to access.

Sanger, Margaret. *The Pivot of Civilization in Historical Perspective: The Birth Control Classic*.

Seattle: Inkling, 2008. Print.

Margaret Sanger was the establisher of Planned Parenthood. She was a supporter of birth control and opened the first birth control clinic. She had pro-choice views and this book discusses the debates over abortion. It talks about how these debates began in the nineteenth century. It discusses the major issues and heated debates that abortion cause in this time.

Williams, Mary E.. *Abortion: Opposing viewpoints*. San Diego, California: Greenhaven Press, 2002.

Print.

The author uses information from many sources on abortion. She evaluates the opposing viewpoints on abortion and if it's immoral, violates human rights, and if it's a form of genocide. She discusses if abortion should be restricted, if late term abortions should be banned, and whether parental consent is necessary. She goes into whether abortion can be justified by rape or congenital defects. Then she talks about whether abortion is safe and what harms it causes on women. A side is not chosen she just discusses all viewpoints in an objective way. Critical thinking activities are also included.
